

Dear Colleague,

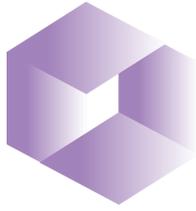

We invite you to participate in our survey "**KUNST GERECHT FÖRDERN**" (FUNDING ART FAIRLY), which aims to find out how the current funding system affects the work of freelance artists. The survey was developed in the context of an **Artist Lab**, which is supported by the **Fonds Darstellende Künste**. We worked together with the expert and **cultural scientist Dr. Özlem Canyürek**.

Especially in times when there is talk in politics about cutting budgets in the independent performing arts, we need **numbers and data** to make visible **which funding measures are effective**, sustainable and efficient and which ones reproduce the social discrimination or exclusion factors; both before and during the ongoing pandemic. What **changes to the system** can counter unfair distribution? For whom does the current funding system work, for whom less, for whom not at all? What does arts **funding of the future** look like? We explore all this in our survey and hope to get a first indicative overview.

The data will be collected **anonymously**. Neither your name will be publicly mentioned, nor will your identity be linked in any way to your answers.

Participation in the survey is **voluntary**. You can decide whether you want to participate or not. Even if you have started filling out the survey, you can stop it at any time.

The survey will take about **20 minutes** to complete. By filling out and **submitting** your answers, you agree to participate. Unfortunately, it is **not possible to save** your answers while answering the questions. We ask you to answer the survey **only once** and to fill it out **completely**, so that we receive differentiated results.

The results of the project will be published and presented at the **BALL of the Independent Performing Arts** - the "Lab of Labs" on October **14/15** at the **Haus der Berliner Festspiele**.

Due to limited time and financial resources, we are unfortunately unable to provide the survey in plain language.

If you have any **questions** about the survey, please feel free to email us at: **kontakt@proquote-buehne.de**

Please click on the **link** below to access the survey and complete the form **no later than August 17, 2022**.

We would be very happy about your participation!

Best regards
